OneLife. Several reasons

OneLife exists to overturn conventional attitudes to life assurance. As a specialist in this area with 30 years' experience, we develop cross-border financial planning solutions for wealthy clients across Europe and beyond.

Whether it's a question of long-term savings, inheritance planning or simply understanding how to better manage your wealth, we are dedicated to providing sophisticated, compliant and innovative solutions that are crafted to suit each individual and their evolving needs.

Together with a solid network of select partners – including private banks, family offices and independent financial advisers – our dynamic team of international experts offers a fresh approach that helps understand and anticipate the needs of wealthy clients in a world of change.

With more than EUR 8 bn in assets under management, OneLife is a member of APICIL Group, the third largest social protection group in France, engaged in health and life insurance, pensions, savings products and related financial services.
